## C.A.R.E. REFERRAL

Cranberry Assessment Referral Education (C.A.R.E.) is a program aimed at helping students in all grade levels in need of more intensive counseling. The main goal of C.A.R.E. is to help identify students in distress, to intervene, and to get them help as quickly as possible. Early intervention and treatment can restore students to their fullest potential so they can once again be successful in school, at home, and in the community.

By signing below, you are agreeing to permit your child to participate in the C.A.R.E. program for the current academic year. If you have any questions, please contact your child's guidance counselor in the Student Service Center at 676-8504.
