Cranberry Area High School
Guidance Office
1 Education Drive
Seneca PA 16346-9709

Dear Guidance Counselor,

We would like to cordially invite your students to Waynesburg University's eleventh annual CSI Camp! The dates for the camp are June 18 through June 23, 2017. Students will learn from certified experts in areas such as surveillance techniques, forensic science, canine workshops and speakers on topics like wrongful convictions and the role forensic evidence plays in court cases.

To find out more about CSI Camp 2017, please visit www.waynesburg.edu/csicamp. Spaces for this opportunity will go quickly, so please have them take advantage of this invitation as soon as possible. Also, if your students are interested in this field, but unable to attend our CSI Camp during the summer months, we will host day-long Mock Crime Scene Workshops during the spring and fall that will provide valuable insight into these areas.

If you should have any questions please feel free to contact Bob Barnhart in Admissions directly at rdbarnha@waynesburg.edu or 724.852.3346.

Kind Regards,

Michael Cipoletti
Director of Forensic Science and CSI Camp Director

CSI Camp 2017

June 18 - 23, 2017

#WUCSICAMP

WHAT TO EXPECT

If you've ever wondered if the lab and forensic techniques on the television shows are real, find out for yourself and register for Waynesburg University's 11th annual CSI Camp! During this 6-day, 5-night experience, students will learn about fingerprints, trace evidence, expert testimony and more.

Our CSI Camp is designed to give students hands-on experience of what they can expect in the forensic science and criminal justice majors and, ultimately, occupations. Camp will enable students to enhance their knowledge and understanding of forensic topics and allow them to make valuable connections with professionals and fellow peers in the field. Students will have the opportunity to train with and learn from certified experts in a small group setting.

Students entering 11th grade, entering 12th grade, or who are Spring 2017 high school graduates are eligible to attend CSI Camp.

Scholarships are available. Interested students must register and deposit in order to receive the scholarship application. The application will be sent automatically to those who have deposited and secured their places for the 2017 CSI Camp.

REGISTRATION

Registration Fee: \$500

(includes all meals, housing and activity materials for six days of camp) The required \$100 deposit is non-refundable.

Registration Deadline: May 5, 2017

Scholarship Application Deadline: April 7, 2017

*expect notification by April 17

To register, go to waynesburg.edu/csicamp or call 800-225-7393 and let us know you're interested in signing up!

Our CSI Camp fills up fast, and space is limited. Campers will be accepted on a first-come, first-served basis.

Your confirmation materials will be mailed to you after we have received your registration and deposit.

"CSI Camp was the highlight of my summer. It gave me the opportunity to get to actually do hands-on activities that helped me get a glimpse into the different fields I was interested in while simultaneously having a blast with other teenagers from across the country. I had so much fun!"

- Jennifer Estrada (Tucson, Ariz.)

MEET THE CAMP STAFF

Mike Cipoletti Camp Director

Mike Cipoletti retired from the Pennsylvania State Police Crime Lab to direct the forensic science program at Waynesburg University. He worked as a forensic scientist and lab system quality specialist in chemistry and drug identification. Mike has extensive experience in the field and training in analyzing and comparing physical evidence. He also has professional experiences in investigating and processing illicit drug labs, hazardous materials and weapons of mass destruction. He earned his BS in Chemistry from Westminster College and his MS in Analytical Chemistry from West Virginia University.

James Tanda Camp Advisor

James Tanda, an instructor of criminal justice at Waynesburg University, brings a wealth of experience to the program. Prior to joining the University, James worked as a Special Agent with the Bureau of Alcohol, Tobacco and Firearms for 27 years and has also served as a Contracted Explosives Specialist with the U.S. Government. He earned his BA in Criminology and Pre-Law from Indiana University of Pennsylvania and his MA in Criminal Investigation from Waynesburg University.

Faith Musko Camp Advisor

Faith is an instructor of chemistry and forensic science. She is a former toxicologist and forensic chemist with AIT Laboratories in Indianapolis, Ind. Faith is a member of the Society of Forensic Toxicologists, American Academy of Forensic Scientists and the American Chemical Society. She obtained her BS in Forensic Science from Waynesburg University, as well as her MS in Forensic Science/Criminalistics from the University of Central Oklahoma.

Adam Jack Camp Co-creator

Adam Jack is an assistant professor of forensic science and is a former Forensic Detective with the Westmoreland County District Attorney's Office and Police Officer in Rostraver Township, Pa. He is a Certified Senior Crime Scene Analyst through the International Association for Identification and has testified as an expert in Crime Scene Investigation and fingerprints. Adam earned his BS in Biology and BA in Criminal Justice Administration from Waynesburg and his MS in Forensic Science from Marshall University.
